## *Excerpts from a Soldier's Letter !*

————— If I could only impress upon your mind the waste and utter futility of war. Certainly Mars' house is depressing enough on its' exterior ; but have you been down in his dungeon, his torture chambers where teeming millions writhe in agony of body and mind and soul? And as if all this were not enough there is the soul searing fact that their suffering is to no avail. Phillip, the world is on the wrong road. It is bringing its' problems to a deity of greed and hate and violence. Hasn't history proven that violence never solves, really solves anything? At our present rate the most we can promise ourselves is a bigger and better war next time. Our only solution, our only salvation lies in the church, the members of the Christian faith. And in order that we may have a really effective influence on world government we must gather our scattered Denominational flocks so that instead of their singing the same words to a different tune we will have a mighty chorus in harmony with a melody of peace and love that man will listen to. And *must* obey if he is to escape self destruction.

## *Prayer of a Soldier in France !*

**M**Y shoulders ache beneath my pack  
(Lie easier, Cross, upon His back).  
I march with feet that burn and smart  
(Tread, Holy feet upon my heart).  
Men shout at me who may not speak  
(They scourged Thy back and smote Thy cheek)  
I may not lift a hand to clear  
My eyes of salty drops that sear.  
(Then shall my fickle soul forget  
Thy agony of Bloody Sweat) ?  
My rifle hand is stiff and numb  
(From Thy pierced palm red rivers come).  
Lord, Thou didst suffer more for me  
Than all the hosts of land and sea.  
So let me render back again  
This millionth of Thy gift. Amen.

## *Life's Great Decision!*

Strong men continue to answer the insistent call of the Eternal. In our unit it is coming to be an almost weekly occurrence for men to make the soul's noblest decision and to commit their ways to the Master of Men.

On Wednesday last, Pfc. Harry Green and Sgt. Bernard McGraw followed Christ in beautiful baptism. We welcome them to the active ranks of our Airborne Christian Church. You really want to make that decision too, don't you?

## *A Superb Committee*

We want to express our admiration and gratitude for the swell job done by our Propaganda Minister and Committee. You've seen evidences of their work in every nook and corner in Camp. Bob Fenton is the Minister of Propaganda. Charles Brantley and Ralph Thomas are his cohorts.
