Dear Jean,

Future Development of Victoria Recreation Ground;
You are probably aware that the Council
has approved the principle of a partnership
agreement between -

Filehurst Poor's Lands Charity
Filehurst Cricket Club
Filehurst Football Club
& Filehurst Club Football Club

to develop sports & other
facilities at the Ground. Have you seen the
Seven Point Plan also approved? (if not I will send
you a copy)

I think Osmonow Road Residents' Association
should be represented on the "Partnership" & I *
would happily sponsor your inclusion if your
Committee so wishes.

Regards

Stephen Thomas

* and, of course -

Mr Mark Anderson who is on the
Leisure & Environmental Health Committee
